As a result of the war it is freely stated that the whole world will be in debt. This thing of debt is a two sided proposition. For every debtor there must be a lender and at the end of the war the books will balance as usual. The loss will be the killing of men and the destruction of property.

Collinsville, Ill.—"I suffered from a nervous break-down and terrible headches, and was tired all over, totally

worn out and too discouraged to enjoy life, but as I had four in family and sometimes eight or nine boarders, I kept on working despite my suffering.

"I saw Vinol advertised and decided to try it, and within two weeks I noticed a decided improvement in my condition and now I am a well woman." condition and now I am a well woman -Mrs. ANA BECKER, Collinsville, Ill.

There are hundreds of nervous, rundown, overworked women in this vicinity who are hardly able to drag around and who we are sure would be wonderfully benefited by Vinol as Mrs. Becker was.

The reason Vinol is so successful in building up health and strength in such cases is because it combines the medici-nal tissue building and curative elements of cod's livers together with the blood making, strengthening properties of tonic iron. We ask every weak, ner-vous, run-down man or woman in this vicinity to try a bottle of Vinol on our guarantee to return their money if it

County Board Meeting

The County Board Meetings have been productive of so much good thro out the State that we have planned for another in this county this year for May 12th, at Marlinton. We had a fairly good attendance last year, but can we not have a full attendance this time? Each member of each board can be benefitted this year as we have quite a few new school laws to look into and get acquainted with and we MUST consolodate this year, therefore a little mutual talk among the boards of the county cannot help to be beneficial.

The new members of the boards are especially urged to be here and get some suggestions from the representative of the Department of Free Schools. Mr J. F. Marsh will be with us on this occasion and we will meet at the school house at 1 p. m. May 12th. B. B. Williams, Co. Supt.
